RE: Northern Interior Cruising Committee Scholarship

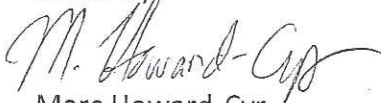

I would like to express my gratitude for the committee's generosity in providing the **Northern Interior Cruising Committee Scholarship**. I am honored to have been chosen as this year's recipient and the contribution will greatly assist my endeavors to achieve my academic goals.

My immediate plans are to complete my diploma with honours in the Natural Resources and Environmental Technologies program from the College of New Caledonia. Upon graduating, I will attend UNBC to attain my Forestry degree and Registered Professional Forester Certification.

I am also travelling to Costa Rica in the spring with fellow NRET students to enrich my learning experiences and enhance employment opportunities with my acquired knowledge. As part of the award criteria, enclosed is a copy of the first semester transcript demonstrating my high academic achievement in the Forest 161 course; data measurement.

Thank you for making the **Northern Interior Cruising Committee Scholarship** available to assist students at CNC. With this financial assistance help, I can more easily focus on reaching my goals.

Sincerely,

Marc Howard-Cyr
